2030 SUMAS WAY
ABBOTSFORD, B.C., CANADA
www.oldspaghettifactory.ca

Welcome to Abbotsford...

The Abbotsford area was first surveyed in 1858 during the Gold Rush. The Fraser Valley offered opportunity for settlement, crops of tobacco, and milk and butter production. We have tried to add charm and warmth to our restaurant by including many authentic memorabilia that have been part of those times.

We hope you will enjoy our food and our memories of the past.
